SUMMARY

Note:

Replace this note by a description of the content of the paper you wish to submit to the conference. You should ensure it is clear, what are the key results and conclusions that the paper will describe and in what area the work falls.

Focus on the salient issues and limit the text to 500 words as a maximum. Illustrations are welcome but the document must not exceed two pages.

The document file with illustrations should not exceed 500 kB.

Do not modify the headers and footers of this model document.

This document is to be used by the Technical Committee for evaluating the contribution your paper would bring to the symposium and will not be published (only the final paper is published).

You write for experts, be concise, to the point and better comply with the following scheme:

- 1) The subject addressed is ...
- 2) What is the problem
- 3) How did we address the problem
- 4) What is the outcome (solution brought, benefits, etc)

* Refer to the guidelines you have been sent in Call for Papers and submit your document online.
