- Prin virament bancar in contul actionarilor nereprezentati de Participanti

Actionarii care nu au cont deschis la Participanti au posibilitatea de a solicita **Depozitarului Central** sa realizeze plata dividendelor prin virament bancar intr-un cont indicat de actionari. Pentru a beneficia de aceasta modalitate de plata actionarii sunt invitati sa furnizeze direct Depozitarului Central documentele indicate in comunicatul privind modalitatile de plata a dividendelor aferente anului 2017, publicat pe site-ul www.electrica.ro la sectiunea Relatia cu Investitorii, Dividende ("Comunicatul privind Plata Dividendelor"). Pentru mai multe informatii referitoare la aceasta modalitate de plata, va puteti adresa Depozitarului Central la numarul de telefon 021.408.58.56 sau 021.408.59.23 si/sau la adresa de e-mail: dividende@depozitarulcentral.ro.

Actionarii care nu au cont deschis la Participanti au, de asemenea, posibilitatea de a solicita **BRD** incasarea dividendelor intr-un cont bancar, deschis la BRD sau la oricare din bancile situate in Romania sau in strainatate, prezentandu-se la sediul oricarei unitati a BRD cu incepere de la Data Platii si efectuand o solicitare expresa in acest sens, cu prezentarea tuturor informatiilor si documentelor necesare platii, astfel cum sunt acestea prevazute in Comunicatul privind Plata Dividendelor.

BRD nu va plati dividendele actionarilor care nu prezinta toate documentele corespunzatoare, acestia urmand a fi indrumati catre Depozitarul Central pentru solutionarea oricaror neclaritati. Mentionam ca titularul contului in care actionarul solicita virarea dividendelor poate fi doar actionarul respectiv.

- Prin eliberare de numerar la ghiseele BRD
Distributia dividendelor se va face in numerar la orice unitate BRD, catre actionarii persoane fizice nereprezentati de Participant, cu exceptia acelor care opteaza pentru plata prin virament bancar in conditiile prevazute la punctul anterior, in limita sumelor stabilite in legislatia aplicabila (ex: conform Legii nr. 70/2015, in vigoare incepand cu data de 8 mai 2015, platile / incasarile realizate in numerar pot fi efectuate doar in limita unui plafon zilnic total de 10.000 lei).

Pentru incasarea dividendelor in numerar de la ghiseele BRD, actionarii vor prezenta documentele prevazute in Comunicatul privind Plata Dividendelor. BRD nu va plati dividendele actionarilor care nu prezinta toate documentele corespunzatoare, acestia urmand a fi indrumati catre Depozitarul Central pentru solutionarea oricaror neclaritati.

- By bank transfer to the account of the shareholders unrepresented by the Participants.

Shareholders who do not have an account with the Participants have the possibility to ask the **Central Depository** to make the dividend payment by bank transfer to an account specified by the shareholders. To qualify for this payment method, shareholders are invited to provide the Central Depository with the documents indicated in the press release on the method of dividends payment for the year 2017 published at www.electrica.ro, Investor Relations section, Dividends ("Press Release on Dividends Payment"). For more information on this payment method, please contact the Central Depository at the phone number 021.408.58.56 or 021.408.59.23 and/or the email address: dividende@depozitarulcentral.ro.

Shareholders who do not have an account with Participants also have the possibility to request to **BRD** to receive the dividends in a bank account opened at BRD or any of the banks located in Romania or abroad, by notice to any BRD offices starting with the payment date and making an express request in this regard, giving all the information and documents necessary for the payment, as set forth in the Press release regarding the Payment of Dividends.

BRD will not pay dividends to shareholders who do not have all the appropriate documents, and any questions they may have will be addressed by the Central Depository.

Please note that the account holder where the shareholder requires the dividend payment may only belong to that shareholder.

- Cash payment at BRD tellers
Distribution of dividends will be made in cash at any BRD, to individual shareholders unrepresented by the Participant, except those who opt for payment by bank transfer as provided in the preceding paragraph, within the limits established in the applicable legislation (e.g. under Law no. 70/2015, in force since 8 May 2015, the payments / receipts made in cash are capped at a daily total of RON 10,000).

In order to receive dividends in cash from BRD tellers, shareholders shall present the documents stipulated in the Press release on Dividends Payment. BRD will not pay dividends to shareholders who do not have all the appropriate documents, and any questions they may have will be addressed by the Central Depository.

<p>I6 Cum se calculeaza dividendele nete aferente anului 2017?</p> <p>R6 Valoarea totala a dividendelor nete cuvenite unui actionar este data de numarul de actiuni detinute la data de inregistrare, inmultit cu valoarea per actiune a dividendului brut aprobat de AGOA din data de 27 aprilie 2018 din care se deduce valoarea impozitului pe dividende, in cotele prevazute de legislatia in vigoare.</p>	<p>Q6 How is the net dividend for the year 2017 calculated?</p> <p>A6 The total net dividend payable to a shareholder which is subject to foreclosure/or precautionary measures or other measures of this nature is given by the number of shares held as at the registration date, multiplied by the value per share of the gross dividend approved by the OGMS dated 27 April 2018 less the amount of tax on dividends as provided by the applicable legislation.</p>
<p>I7 Cum se calculeaza dividendele nete in cazul popririilor?</p> <p>R7 Valoarea totala a dividendelor nete cuvenite unui actionar care face obiectul executarii silite/unor masuri siguratorii sau altor masuri de aceasta natura este data de numarul de actiuni detinute la data de inregistrare, inmultit cu valoarea per actiune a dividendului brut aprobat de AGOA din data de 27 aprilie 2018, din care se deduce valoarea impozitului pe dividende, in cotele prevazute de legislatia in vigoare, precum si valoarea sumelor poprite.</p>	<p>Q7 How are net dividends calculated in case of attachments?</p> <p>A7 The total net dividend payable to a shareholder which is subject to foreclosure/or precautionary measures or other measures of this nature is given by the number of shares held as at the registration date, multiplied by the value per share of the gross dividend approved by the OGMS dated 27 April 2018 less the amount of tax on dividends as provided by the applicable legislation and the amount of the attachments.</p>
<p>I8 Cand se calculeaza impozitul pe dividende?</p> <p>R8 In conformitate cu prevederile Codului Fiscal roman, impozitul pe dividende este unul retinut prin stopaj la sursa si se calculeaza la data la care se efectueaza plata dividendelor.</p> <p>In cazul in care dividendele distribuite pentru 2017 nu vor fi platite pana la sfarsitul anului 2018, impozitul pe dividende va fi calculat, retinut si platit de Societatea Energetica Electrica SA la Bugetul de Stat pana la data de 25 ianuarie 2019.</p>	<p>Q8 When is the tax on dividends calculated?</p> <p>A8 According to the Romanian Fiscal Code, the tax on dividends is withheld at source and is calculated on the date of dividends payment.</p> <p>If the dividends distributed for 2017 will not be paid by the end of 2018, dividend tax will be calculated, withheld and paid by Societatea Energetica Electrica SA to the State Budget until 25 January 2019.</p>

<p>I9 Societatea Energetica Electrica va retine impozit la sursa din dividendele mele?</p> <p>R9 Da, conform prevederilor Codului Fiscal roman, regula generala este ca platitorul de venit sa retina prin stopaj la sursa impozitul din dividendul brut. Impozitul pe dividend se stabileste prin aplicarea unei cote de impozit de 5% (cota curenta) asupra dividendului brut de platit, cu exceptiile prevazute de aceasta reglementare. Impozitul va fi retinut de Societatea Energetica Electrica, atat pentru actionarii rezidenti in Romania, cat si pentru actionarii nerezidenti.</p>	<p>Q9 Will Societatea Energetica Electrica withhold tax from my dividends?</p> <p>A9 Yes, Romanian Fiscal Code states that the income payer mandatorily withholds the dividends tax from the gross dividend. The dividends tax is determined by applying 5% (current level) on the gross dividend paid, except in the cases provided by this regulation. The tax will be withheld by Societatea Energetica Electrica, for both shareholders that have their fiscal residence in Romania and non-resident shareholders.</p>
<p>I10 In cazul actionarilor nerezidenti, pentru a beneficia de prevederile mai favorabile ale conventiilor de evitare a dublei impuneri incheiate intre Romania si statele lor de rezidenta, acestia trebuie sa transmita Societatii Energetice Electrica, inainte de efectuarea platii, certificate de rezidenta fiscala eliberate de catre autoritatile competente din statul de rezidenta, valabile la Data Platii/emise pentru anul in care are loc plata dividendelor, in original sau copie legalizata, apostilate/supralegalizate, daca este cazul, insotite de traducere autorizata in limba romana, precum si detalii de contact pentru eventuale clarificari asupra certificatelor de rezidenta fiscala. In caz contrar, Societatea Energetica Electrica va retine din dividendul brut cota generala de impozit pe dividende prevazuta de Codul Fiscal roman, respectiv 5 % cat este aceasta in prezent. In cazul unui actionar nerezident, trebuie declarate dividendele in declaratia de venit din tara de rezidenta fiscala?</p> <p>R10 Este posibil ca investitorilor nerezidenti sa li se solicite sa declare dividendele in declaratiile de venit din tara lor de rezidenta si, de aceea, se recomanda ca acestia sa solicite ajutor de specialitate in legatura cu obligatiile fiscale din tara lor de rezidenta.</p>	<p>Q10 In case of non-resident shareholders, in order to benefit from the more favourable provisions of double taxation avoidance agreements concluded between Romania and their states of residence, they shall submit to Societatii Energetice Electrica, before payment, a tax residence certificate issued by the competent authorities in their State of residence, valid on the Payment Date/issued for the year in which the payment of dividends occurs, in original or certified copy, authenticated/legalized, if accompanied by authorized translation into Romanian and contact details for any clarifications on the tax residency certificates. Otherwise, Societatea Energetica Electrica will retain from the gross dividend the overall share of the dividends tax under the Romanian Tax Code, currently 5%. In the case of non-resident shareholders, must dividends be declared in the income statement in the country of tax residence?</p> <p>A10 It is possible that non-resident investors may be required to declare dividends in their income statements in their country of residence and, therefore, it is recommended that they seek professional assistance on tax obligations in their country of residence.</p>
<p>I11 Ce reprezinta data de inregistrare?</p> <p>R11 Este data calendaristica stabilita de AGOA care serveste la identificarea actionariilor care urmeaza a beneficia de dividende sau alte drepturi si asupra carora se rasfrang efectele hotararilor AGOA. Data de inregistrare stabilita de AGOA Societatii Energetice Electrica din data de 27 aprilie 2018, care a aprobat distribuirea dividendelor aferente anului 2017 este 08 iunie 2018.</p>	<p>Q11 What is the date of registration?</p> <p>A11 It is the calendar date established by OGMS which serves to identify who will benefit from dividends or other rights and who is affected by the decisions of OGMS.
